

## Reference list

Shells, tilting thrust pads, radial pads or complete bearings have been supplied to or ordered by the following customers:

**- Siemens Industrial Turbomachinery (Huludao) Co., Ltd., Huludao, PR China**

Tilting radial and thrust pads for turbomachinery

**- Flender/Siemens, Tianjin, China**

Thrust pads for mill gearboxes

**- Hyosung Power and Industrial Systems, South Korea**

Thrust pads for mill gearboxes

**- Elecon Engineering Co.Ltd., Vallabh Vidyanagar, Gujarat, India**

Thrust pads for cement mill gearboxes

**- Flovel Energy Pvt. Ltd., Faridabad, Haryana, India**

Tilting pads for vertical guide bearing for hydro turbine

**- Vulcan Industrial Engineering Co.Ltd., Anand, Gujarat, India**

Thrust pads for cement mill gearboxes

**- ALSTOM Hungary Co.Ltd, Hungary, Budapest**

Shells for turbines and generators

**- ALSTOM Power Sp. z o.o., Poland, Wroclaw**

Shells for generators

**- ALSTOM, France, Belfort**

Pedestal and vertical bearings for hydrogenerators

**- ALSTOM Elektrische Maschinen, Germany, Essen**

Pedestal bearings for turbogenerators and other electrical machines

**- BRUSH SEM s.r.o., Czech Republic, Plzeň**

Shells for electrical machines

**- ČEZ a.s., Czech Republic, Praha**

Shells for steam turbines and generator

**- ČKD Nové Energo s.r.o., Czech Republic, Praha**

Shells for blowers

**- EMS, Germany, Krefeld**

Bearings and shells for electrical machines

**- Flender/Siemens AG, Germany, Bocholt**

Shells and thrust pads for marine and cement mill gearboxes

**- Flender/Siemens, Germany, Herne**

Shells and thrust pads for gearboxes

**- Flender-Graffenstaden, France, Illkirch**

Radial tilting pad bearings and thrust & journal shells

**- GE Energy Products Germany, Germany, Essen**

Pedestal bearings, radial tilting pad bearings and thrust bearings for gasturbines

**- Jahnel-Kestermann, Germany, Bochum**

Shells for gearboxes

**- Jeumont Industrie, France, Jeumont**

Bearings and shells for electrical machines

**- KHD, Germany, Köln**

Shells and radial tilting pads for cement mills

**- KKK AG, Germany, Frankenthal**

Radial tilting pads for turbomachinery

**- Krupp Fördertechnik, Germany, Ennigerloh**

Bearings and shells for cement mills

**- Krupp Polysius, Germany, Beckum**

Radial tilting pads for cement mills

**- Lloyd Dynamowerke GmbH, Germany, Bremen**

Bearings and shells for generators

**- FLSmidth MAAG Gear sp. z o. o., Poland, Elblag**

Thrust pads for cement mill gearboxes, radial bearings

**- MAAG Gear AG, Switzerland, Zürich**

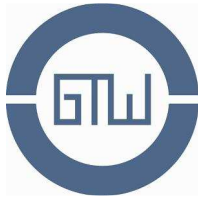

Shells for gearboxes

**- RENK AG, Germany, Augsburg + Rheine**

Shells and thrust pads for turbo, marine and cement mill gearboxes

**- Siemens AG, Germany, Berlin**

Pedestal bearings and shells for electrical machines

- **Siemens AG, KWU, Germany, Mülheim**  
Shells, tilting thrust pads and seals for steam turbines

- **Siemens Industrial Machinery s.r.o. Czech Republic, Brno**  
Tilting radial and thrust pads for turbomachinery

- **DOOSAN ŠKODA POWER s.r.o., Czech Republic, Plzeň**  
Shells for steam turbines

- **Tuthill Nadrowski Turbinen GmbH, Germany, Bielefeld**  
Shells for steam turbines

- **U.S. STEEL, Slovakia, Košice**  
Bearing Shells

- **WIKOV Gear s.r.o., Czech Republic, Plzeň**  
Shells for gearboxes

- **Mavel, a.s., Czech Republic,**  
Pedestal and vertical bearings for hydrogenerators

- **INDAR MÁQUINAS ELÉCTRICAS S.A., Spain**  
Pedestal and vertical bearings for hydrogenerators

- **Andritz Hydro GmbH, Austria**  
Pedestal and vertical bearings for hydrogenerators
